Appleatchee Riders is a member-owned riding club, founded in 1947 and offering a wide range of equestrian and horsemanship-centered activities throughout the year. For more than 20 years the **Appleatchee Performance Division** has presented two one-day **Dressage shows**. We attract talent from our local area and Eastern and Western Washington. Our riders and their families stay in local motels and shop at the local stores. They range in age from youth to senior and come to Wenatchee, not only for the shows, but to enjoy our valley and our facility. The event is family oriented and fun.

Last year we added Western Dressage classes to the show and found them to be a big draw for NCW riders. This year our two shows are Saturday, June 9th and Sunday, June 10th. To help fund the event, and provide awards, we are looking for sponsors.

With a sponsorship donation, your name will be:

- **Printed in the program** along with the class you are sponsoring.
- **Announced** as sponsor of the class or High Point award.
- **Displayed on our *Dressage Show Sponsor Board*** - located in the main Appleatchee indoor arena and seen by hundreds of people who come to Appleatchee for other events - **for one full year** following the 2018 shows.
- You will also receive a receipt for your donation.

Sponsorships are \$25 per class (we offer up 20 classes per day), and \$50 for the following High Percentage awards (we offer 8 awards per day): English and Western Dressage Awards for:

- Youth
- Open Adult
- Adult Amateur
- Non-Regular Classes

We hope that you will consider supporting this wonderful event.

Respectfully yours,

The Appleatchee Performance Division, Dressage Show Planning Committee
