

# Erin Sauer's **ADVANCED EQUINE MASSAGE CLINIC**

## **“Elevating Your Partnership through Advanced Bodywork”**

Come join us *Saturday & Sunday, October 12 & 13, 2024* for a 2 day *Advanced Equine Massage Clinic* with Erin Sauer at Appleatchee Riders in the Sparks Arena. Appleatchee is excited to be partnering with Erin to offer this advanced massage clinic for individuals that have previously taken one of Erin's in-person or online clinics!

Erin is passionate about sharing what she knows and wants all horse owners to be empowered to enjoy massage with their horses with techniques she's discovered that don't require technical knowledge and lead to a stronger bond. In this advanced clinic, Erin will be raising the bar and sharing more in-depth techniques in recognizing and addressing areas of tension.

Erin has owned and operated *Elite Equine Massage LAMP* in Enumclaw, WA for over a decade and now runs *Winning Your Horses's Heart through Bodywork* where she shares her massage techniques with owners in order to improve the horse-human relationship. Check out her facebook page ~ <http://www.facebook.com/wyhhclinic> for clinics, videos/pictures & reviews.
